EFFIGY #1

Tim Seeley, Marley Zarcone, W. Scott Forbes

After a sex-tape scandal, former Hollywood child star turned Z-lister Chondra Jackson returns to her hometown of Effigy Mound, IL, to find a seemingly impossible crime - a fresh corpse in an ancient Indian burial site. Even weirder, the murder resembles a scene from an episode of her old TV show, Star Cop, a live-action children's show about a kid detective.

As Chondra starts to investigate, she stumbles upon a bizarre cult that worships celebrities as eternal effigies. And these cult members aren't just worshiping - they're also ritually sacrificing anyone who defies their veneration of the beautiful and famous. Chondra's probe takes her on a terrifying tour of burial mounds across the world, from Stonehenge to the Nazca Lines of Peru. But what is the link between the cult, Chondra's hometown, and her own bloodline? Will Chondra become the hero detective she played as a child...or is she in fact the cult's unwitting messiah?

Written by rising star Tim Seeley (Batman Eternal, Grayson, Revival) and illustrated by Marley Zarcone (Black Circle, Madame Xanadu), Effigy is a twisted murder mystery and conspiracy tale that examines celebrity, godhood, and the price of fame.

COMICS FOR CHRISTMAS & NIGHT POST

COMICS FOR CHRISTMAS

'Tis the season to be jolly!

Yes, Christmas is almost upon us once again. It's been lurking at the tail end of a year full of fantastic comics, TV shows (Arrow, The Flash, Gotham) and movies (Captain America: The Winter Soldier, X-Men: Days Of Future Past, Guardians Of The Galaxy). As you dust off the Argos catalogue, preparing to flick through it's shiny pages for Christmas gift inspiration, or stare at the computer monitor, absorbing it's spewed suggestions of this year's hottest toys, videogames, and the

perfect gift for Mum, maybe you should take a look at the wealth of great literature available from Marvel, DC, et al.

My grandson is nearly thirteen and a pretty typical teenager - he communicates in grunts, exasperated whines and sarcastic comments. He insists on wearing odd socks. He lives in a room peppered with discarded clothes, food wrappers and used drink galsses. Given the choice, he would swap school for playing Halo, Destiny or Titanfall on his Xbox during the day and he cares about his hairstyle - a lot.

However, there's something else that he loves to do - read comics.

He's a highly intelligent, high achieving student with a penchant for all things Marvel and DC (Batman and Green Lantern in particular) and collects a number of comic series as well as certain trade paperbacks of the titles he doesn't follow week-in, week-out. Buried among his Christmas wish-list of videogames, DVDs and hair products, I was thrilled to see a solid section of requested graphic novels, - and not just current books either. He's a big fan of The Dark Knight Returns and has mentioned wanting to read Watchmen and V For Vendetta, although we're very careful to monitor what he's reading and will guide him towards books that suit.

What's most impressive about his love of comics is the way that he talks about them to our ACE customers whenever he happens to be in the shop, expressing a detailed knowledge of the storylines running through a surprisingly large number of the books! This demonstrates that there is a market for the comic books of the future, but it's important that, as an industry, we get the younger generation understanding comics and developing their own passion for these papery packages of entertainment.

So before you click 'add-to-basket' on 'Modern-Artillery-Duty-Man 7: Special Ops Edition' or 'Brat Ponies Magic Sparkle Castle', make sure to take a look a the wealth of great comics, books and subscriptions that would be a welcome sight on Christmas morning. Popular titles for young readers include Adventure Time (VERY popular in my household), My Little Pony: Friendship Is Magic, Sonic The Hedgehog, Archie, Amulet and Teenage Mutant Ninja Turtles Animated Adventures. Teen readers will enjoy all of the above as well as moving on to the regular DC and Marvel titles. There are also curios like Scott pilgrim and to peak their interest. If you're not sure, chat to the ACE staff instore or email us - we're always happy to pass on a suggestion or two. Graphic Novels and Comic Subscriptions are available on our website if you can't make it in to a brick and mortar store.

NIGHT POST

With Christmas in mind, we have to mention Night Post.

Following in the footsteps of the brilliant [Porcelain](#) (now back in stock for the holidays, with a sequel due very soon), Night Post is another release from Improper Books by Benjamin Read and Laura Trinder.

Telling the tale of a mail service for the ghosts, ghouls, witches, werewolves and all the creatures of the night, following a very special type of postman on his round, as he delivers macabre mail to a spooky set of customers. From graveyard, to cave, tower to lair, the post must get through, even if the postman is sometimes mistaken for supper.

Featuring no words, Night Post is a picture book for all ages, stunningly illustrated by Laura Trinder, in the mould of Raymond Briggs, Julia Donaldson and Janet and Allan Ahlberg. For fans of classic tales, this enjoyable book is [available here!](#)
